Position Overview – San Francisco

As the contract Designer for the Fashion Brands channel you have a passion for product and retail! You are instrumental in supporting the Art Director, Director of Product Management and Sales objectives to execute custom product programs for a variety of mass market and specialty accounts. You have a deep knowledge of the product manufacturing process and design parameters which allow you to apply graphic design for a wide variety of materials. In this role you will work closely with Product Development, Sales and Production Teams.

You'll:

- Design product concepts across a wide variety of materials, including ceramics, glass, plastics, stainless, paper, textiles and more.
- Understand fully and be able to adapt to each account requirements and directives.
- Be instrumental in designing new products concepts, in alignment with Sales opportunities.
- Work on projects including product renderings, illustrations, technical drawings, physical mock-ups, packaging, and marketing materials.
- Prepare for and participate in sales and design presentations.
- Become knowledgeable and stay up-to-date on color, material, finish manufacturing processes.
- Understand price constraints and manufacturing parameters to meet product design objectives.
- Be accountable for ensuring that product designs can be executed prior to production art phase.
- Support Manager and Design Team with additional duties as necessary

As the contract Designer, Fashion Brands we ask that you bring:

- Surface/pattern design for home decor/beverage containers/gifts/accessories experience a huge plus. Hand-lettering and/or ability to create and manipulate typography also needed.
- Trend-forward design concepts with relevant soft or hardline experience and excitement about creating for mainstream retail.
- Ability to effectively work with individuals and groups at all organization levels.
- Speed, accuracy and attention to detail on all projects.
- Expert in Adobe Creative Suite, preferably on a PC platform.
- Hand illustration skills a plus.
- Required 5+ years experience in design field.
- Keen knowledge of printing processes, CMYK and PMS color systems.
